We can perform as a full band, trio, or duo.

**“We** hired The Radical Revolution to perform at Widmer’s 25th Anniversary Celebration, and they ‘totally’ nailed it. They were extremely professional and put on a great show...I received countless compliments about the music from guests and staff alike. I would definitely recommend The Radical Revolution for corporate functions, private parties, or any other events that require great live music!”

**Mindy Green, Field Marketing Manager NW Region, CBA (Widmer)**

“The Radical Revolution is a big hit at Nike! They deliver a fantastic high energy performance of classic 80’s tunes, and bring a high level of professionalism and positive attitude to match. You can tell they really enjoy what they are doing, and their enthusiasm is contagious...”

I received scores of compliments and inquiries from event attendees. We will eagerly look forward to the next time The Radical Revolution plays at one of our events!”

**Hillary Carpenter, Event Planner, Nike Inc.**

“The Radical Revolutions’s ability to deliver 80’s gems has made them an in-demand favorite throughout the McMEnamin’s Kingdom.”

“This band was amazing...every guest at our reception was blown away. We had our guests crowded on the dance floor dancing AND singing along to every word of every song throughout their entire 4-hour set! After their last song, everyone starting chanting for “one more song,” and several guests asked if we could pay them extra to keep playing.

We have been to many weddings that hired a “top notch DJ,” but we have never seen such a high percentage of guests participating, dancing, singing, and having as good of a time on the dance floor as what we experienced at our reception! Our wedding reception was AWESOME because of The Radical Revolution.

THANK YOU SO MUCH!

“... You guys were a crowd favorite for sure. I never thought I would see hundreds of people singing along to “Jessie’s Girl” on Alberta St. but you guys made it happen. Thanks again!!”
